Case No. 16-30654 HLB 7

Chapter 7

**GLOBAL NOTES AND STATEMENTS TO THE
DEBTOR'S SCHEDULES AND STATEMENT
OF FINANCIAL AFFAIRS**

19 The Schedules of Assets and Liabilities and Statement of Financial Affairs, (collectively, the
20 "Schedules and Statements") filed by Diadexus, Inc. (the "Debtor") (Case No. 16-30654 HLB 7) are
21 unaudited and were prepared pursuant to 11 U.S.C. § 521 and Rule 1007 of the Federal Rules of
22 Bankruptcy Procedure (the "Bankruptcy Rules") by former employees of the Debtor.

23 Shortly before the June 13, 2016 petition date (the "Petition Date"), and without prior notice,
24 the Debtor's secured creditor exercised exclusive control over the Debtor's bank accounts. As a
25 result, the Debtor was unable to make its payroll or otherwise compensate employees for assistance
26 in the preparation of the bankruptcy Schedules and Statements prior to the Petition Date. Since the
27 filing, the Debtor's former employees have been searching for new employment and had limited
28 time to assist. Given these issues, the Debtor filed a motion requesting an extension of time to file its
Schedules and Statements (the "Extension Motion"), and the Court entered an order extending the

1 time to July 28, 2016. For the reasons described in the Debtor's Statement Regarding Inability to
2 Comply with Deadline to File Schedules and Statement of Financial Affairs [D.I. 70], and set forth
3 herein, the Debtor was unable to compile and file the Schedules by that date.

4 The bankruptcy filing and the subsequent sale process also created difficulties for the
5 Debtor's former employees in attempting to access the Debtor's electronic and paper financial
6 records needed to prepare the Schedules and Statements. This includes the fact that a critical
7 financial records system is inaccessible. As such, although the Schedules and Statements reflect the
8 best information reasonably available to the Debtor's former employees, the information in the
9 Schedules and Statements may contain inaccuracies, errors, or omissions.

10 These *Global Notes and Statement of Limitations, Methodology, and Disclaimer Regarding*
11 *Debtor's Schedules and Statements* (the "Global Notes") are incorporated by reference in, and
12 comprise an integral part of, the Schedules and Statements and should be referred to and reviewed in
13 connection with any review of the Schedules and Statements.

14 Description of the Case and "As Of" Information Date. On the Petition Date, the Debtor
15 filed a voluntary petition for relief under Chapter 7 of Title 11 of the United States Code (the
16 "Bankruptcy Code"). The Debtor's case is administered under case number 16-30654 HLB 7, and
17 Barry Milgrom is the Chapter 7 Trustee. Except as otherwise noted, all asset and liability
18 information is as of May 31, 2016, the last date for which the Debtor's former employees had
19 information.

20 Basis of Presentation. The Schedules and Statements do not purport to represent financial
21 statements prepared in accordance with Generally Accepted Accounting Principles ("GAAP"), nor
22 are they intended to fully reconcile to any financial statements otherwise prepared and/or distributed
23 by the Debtor.

24 Summary of Significant Reporting Policies. The following conventions were adopted by the
25 Debtor in the preparation of the Schedules and Statements:

26 Fair Market Value; Book Value. Unless otherwise noted in the Schedules and Statements,
27 the value of each asset and liability of the Debtor is shown on the basis of the book value of such
28 asset or liability in the Debtor's accounting books and records, if available. As a result, the value of

1 the Debtor's assets and liabilities set forth on the Schedules and Statements, when stated, may not
2 reflect the current market values of such property and/or liabilities.

3 Real Property and Personal Property–Leased. In the ordinary course of its business, the
4 Debtor leased non-residential real property and various personal property. Where available, such
5 leases are set forth in the Schedules and Statements; however, the Debtor's former employees have
6 not been able to access electronic or paper files containing the Debtor's contracts and a complete list
7 could not be compiled on Schedule G. In addition, prior to filing the Schedules and Statements, the
8 Debtor's leased non-residential real property located at 349 Oyster Point Blvd, South San Francisco,
9 CA from Oyster Point Tech Center LLC was rejected by the Chapter 7 Trustee. See Court Order
10 [D.I. 22].

11 Causes of Action. The Debtor may not have set forth all of its claims, causes of actions and
12 potential recoveries in its Schedules and Statements. All rights are reserved and neither these Global
13 Notes nor the Schedules and Statements shall be deemed a waiver of any cause of action.

14 Disputed, Contingent and/or Unliquidated Claims. Schedules D, E and F permit the Debtor to
15 designate a claim as disputed, contingent and/or unliquidated. A failure to designate a claim on any
16 of these Schedules as disputed, contingent and/or unliquidated does not constitute an admission that
17 such claim is not subject to objection.

18 Transfers Made Within 90 Days Prior to the Petition Date. To the extent information is
19 provided, it is incomplete because it was drawn from the limited information available. Due to the
20 lack of access to the Debtor's electronic and paper records, it was not possible to gather complete
21 information.

22 Payments Made Within One Year of the Petition Date. To the extent information is provided,
23 it may be incomplete because it was drawn from the limited information available. Due to the lack of
24 access to the Debtor's electronic and paper records, it was not possible to confirm whether the
25 information is complete.

26 List of All Parties to Whom a Financial Statement was Issued by the Debtor Within Two
27 Years Prior to the Petition Date. In response to Question 26.d of the Statement of Financial Affairs,
28 the Debtor listed parties that received a copy of its financial statement within the two years

1 preceding the Petition Date to the best of its knowledge and ability. Other parties may have received
2 copies in the ordinary course of the Debtor's business operations. Further, the Debtor was a publicly
3 traded company and made filings with the Securities and Exchange Commission. If certain parties
4 received copies of the Debtor's financial statements during this period pursuant to the terms of
5 confidentiality and non-disclosure agreements entered into with such potential buyers, those are not
6 listed here.
